

Everyone in the game

How can our team help everyone contribute?

End-zone handball

Orange team attacks this way

Orange circles = one team Green squares = the other team

4v4

Score by catching a pass in your attacking end zone.

Stop with the ball.
Pass within 5 seconds.

No contact.
Intercept passes only.

The inclusion challenge

Before your team can score...

Everyone receives a pass.
Everyone makes a pass.

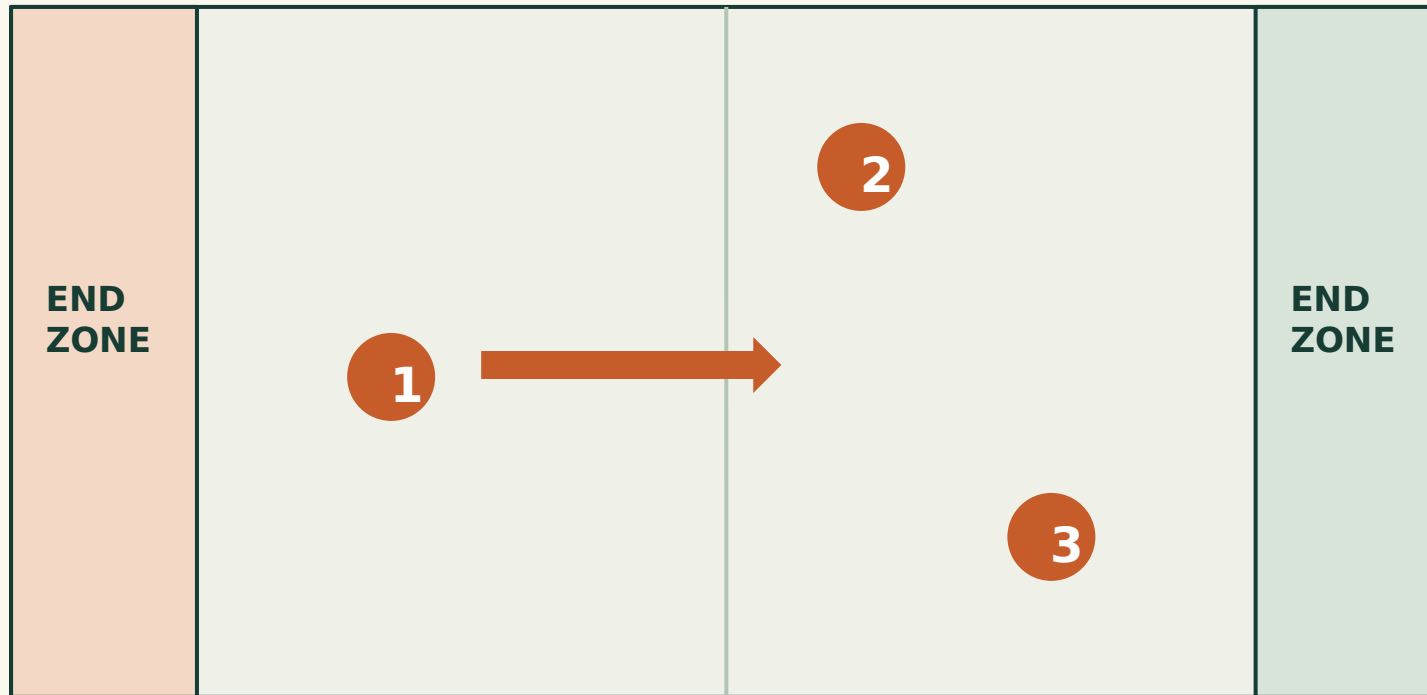

A new team possession starts a new challenge.

Who needs the ball next?

How can we help them become a passing option?

Space, support and communication

A passing option

SPACE

Move away from defenders.

SUPPORT

Find a place to receive a pass.

COMMUNICATE

Use a name, a signal or eye contact.

Learner Profile in action

Principled

We follow agreed rules and are honest about a touch or a ball going out.

Communicators

We signal clearly, listen and share a useful team idea.

Caring

We encourage others and help every teammate take part.

Sideline observers

Choose one focus. Watch one team for a round.

Focus	Evidence to notice
Principled	Agreed rules and honest decisions
Communicators	Clear signals, listening and shared ideas
Inclusion / caring	Different teammates receiving and making passes
Space / support	Movement into a useful passing position

Mark: not seen yet / once / several times
Write one example. Offer one useful next step.

Reflect, change and replay

What did the observers notice?

Our team helped others contribute by...

Next round, we will try...

Did more teammates become involved?
What evidence supports your answer?
